Usually I suggest to run the booth as guests are arriving from the wedding. It is a great ice breaker and keeps the guests "entertained" while waiting for the wedding party. It also doesn't interfere with the dance as much starting it earlier. **If the booth runs later in the evening an idle hour charge of \$45 per hour will apply to be set up before guests arrive.** Booth must be consecutive hours, subject to "idle hour" charge if there is a break. There is 30 of idle time included in for meal/speeches.
